• Play/Pause: Short press the MFB to play or pause the tracks
• Previous Track: Long press the "-" button for returning to the previous track
• Next Track: Long press the "+" button for skipping to the next track

Bluetooth Connectivity:

• Turn the speaker on. Its LED indicator blinks blue until the pairing is done
• Activate the phone's Bluetooth function and search for "Stone 352". As soon as the speaker gets selected and paired by you, the connection gets indicated by a sound prompt.

Note:

• The speaker can automatically reconnect to the last paired device
• If you are having connection troubles, then remove Stone 352 from the list of paired devices on your phone, keep the phone closer to the speaker and try pairing again

AUX Mode:

• You can switch to AUX mode by using the AUX cable to connect the phone and the speaker, and then short pressing the Power button
• In the AUX mode, you can control the audio playback via the media device/ phone

TWS:

You can connect two Stone 352s and virtually forge them into one speaker for a greater impact. For TWS connection:
• Turn on both the speakers
• Press and hold MFB on one of the two speakers for about 2 seconds until you hear a beep
• After releasing MFB, it may take a few more seconds for the speakers to connect
• Activate the phone's Bluetooth function and search for "Stone 352" to establish pairing

Charging:

• Stone 352 beeps once every 5 minutes when the battery is low. After three such indications, the speaker automatically turns off
• Utilize the provided charging cable to charge the speaker
• The LED indicator turns into steady red while charging; the same goes off as soon as the speaker gets fully charged

Note:

Please avoid using the speaker while it is in charge as it may decrease the battery's performance
